

2025 SENATE ORDER 13 ON ENTITY CONTRACTS (MURRAY MOTION)

LISTING RELATING TO THE PERIOD 1 January 2025 TO 31 December 2025

Pursuant to the Senate Order on Entity Contracts, the following table sets out contracts entered into by Defence Housing Australia (DHA) which provide for a consideration to the value of \$100,000 or more (GST inclusive) and which:

- a. have not been fully performed as at 31 December 2025, or
- b. have been entered into during the 12 months prior to 31 December.

Confidentiality clauses of a general nature are included in all DHA standard form contracts (i.e., they all contain clauses requiring the contractor to maintain confidentiality of DHA confidential information and to protect personal information).

The reasons for including such clauses include:

- a. ordinary commercial prudence that requires protection of trade secrets, proprietary information and the like; and/or
- b. protection of other DHA or Commonwealth material and personal information.

The accountable authority of DHA has assured that the listed contracts do not contain any inappropriate confidentiality provisions.
