

## Gifts and benefits register: Q4 (1 April to 30 June 2022)

Date received	Date recorded	Gift or benefit description	Received by	Presented by	Estimated value (\$AUD)	Notes
2/06/2022	2/06/2022	5 x boxes of donuts	HMC - Staff	Centre Management	\$115.00	Boxes of donuts were dropped to the office as part of world donut day from Centre Management and were placed in the kitchen for the HMC staff to eat, which they did.
28/06/2022	30/06/2022	Public Service – Corporate Governance and Risk conference tickets	HO staff	IBR conferences Pty Ltd	\$2070.00	On 15 June 2022, the conference organisers extended four additional tickets to all presenters. I extended this offer to my team, four of who attended virtually. I was unaware at the time that this would fall within our gifts and benefits policy and as soon as I had realised, I reported it. Unfortunately, at that point, it was the afternoon of day of the conference so I could no longer decline.
