														Our experience with as our sales consultant when purchasing our investment property through DHA was very positive as the service he provided could not be faltered. He responded to our questions with patience demonstrating thorough product knowledge while guiding us through the process. After settlement he continues to contact us periodically to ensure our satisfaction with the investment. We

								I was very impressed with There was a problem with the first property that I attempted to buy which then led it to be withdrawn from
								sale by DHA which I obviously found frustrating, but DHA responded appropriately and kept me informed throughout the process. In
								the lead up to me choosing to buy a property and then through the purchase process he was always helpful and never once pushy. I would give

NSW	2222	Lessor	9	9	9	9	9	9 It was a pleasant experience with the process of purchasing an investment with dha and services received from
								I bought a DHA property last year through Although I missed out on two of my choices, I found dealing with Mr. was
								always pleasant. I rated Mr. 9/10 for Question 1-5. As for your last question, I will definitely recommend DHA to friends. I have two
NSW	2121	Lessor	9	9	9	9	9	10 DHA properties and plan to buy more (and pray the government won't privatise DHA).
								One issue is is that my wife asked whether the property is currently tenanted and she never got a reply. But that was admin, not sales. The
								other thing that was annoying about the process is that I had expected DHA to behave like a normal agent and pay the bills from the rent
								especially given the high mgt fees vs normal agents, but instead we have to do it separately. This was not clear to me upfront. This additional
