

1. **Full name**

Family name

Given name(s)

2. **PMKeys number**

3. **Address of Service Residence**

State	Postcode

4. **Preferred contact phone number**

5. In applying for approval to connect to the NBN at my Service Residence, I agree to abide by the following conditions.

Note: Certain NBN providers have agreed to endorse their contracts with tenants to the effect that:

In the event that approval is given to the provider to leave the installation in place following the vacation of the Service Residence by the present tenant, pending an offer of subscription to the incoming tenant, the provider will accept responsibility for care and maintenance of the item, and if not required, undertakes to remove and make good the installation at no expense to DHA or the Department of Defence.

1. Work is to be carried out by qualified tradespeople who must have a minimum of \$5 million in public liability insurance cover.
2. All cabling is to be concealed or shielded.
4. Any building damage is to be made good at no cost to Defence Housing Australia (DHA) or the Department of Defence.
5. All work will comply with Local Government and/or on-base requirements as applicable.
6. The installation is to remain after the Service Residence is vacated.
7. I acknowledge that any requirement for on-going maintenance and cost associated with the NBN installation will remain my responsibility, in accordance with my Defence Residence Agreement, until a new subscription is arranged by a subsequent tenant.
8. DHA will not bear any cost associated with the installation and/or make good of the NBN if the tenant vacates.
