

8 September 2026

Dear Resident,

RE: Upcoming asphalt road works in Nirimba Fields

Defence Housing Australia (DHA) will be undertaking asphalt road surfacing works in selected streets throughout Nirimba Fields over the coming weeks, weather permitting. This final layer of asphalt and the associated line marking will support smooth and safe driving at Nirimba Fields.

DHA has engaged J&G Asphalt & Civil Contractors to complete these works as part of the ongoing delivery of neighbourhood enhancements.

You will receive a separate letter from J&G Asphalt & Civil Contractors up to 7 days before works commence in your street to let you know expected work dates and any temporary traffic and parking changes. To allow the works to be completed safely and efficiently, residents may be asked to move vehicles, trailers, caravans, boats and other items parked on the road.

What to expect

During the works, you may notice:

- Construction vehicles and machinery operating in your street
- Temporary traffic changes, road closures or detours
- Traffic controllers directing vehicles and pedestrians
- Short periods of increased noise during paving works

While access to your driveway will be maintained wherever possible, there may be short periods where access is temporarily restricted while works are being completed directly outside your property. Traffic controllers will be available on site to assist.

For everyone's safety, please follow all signage and directions from traffic controllers and keep children away from work areas, machinery and freshly laid asphalt.

Standard construction hours

The approved construction work hours are:

- Monday to Friday: 7:00am to 6:00pm
- Saturday: 8:00am to 1:00pm
- No work will take place on Sundays or Public Holidays

Where practical, asphalt paving activities are expected to occur between **7:00am and 5:00pm**.

How long will these works take?

Road surfacing works are expected to commence in late September 2026 and be completed mid November 2026, weather permitting. Works will be completed progressively across the neighbourhood, with individual streets generally requiring only a short period of construction activity.

If wet weather occurs, scheduled works may need to be postponed and rescheduled to the next suitable day.

Contact details

For enquiries about the Nirimba Fields development, please contact Defence Housing Australia (DHA) via:

- Visiting the Sales Centre at the corner of Aerodrome Drive & Lockheed Drive, Nirimba Fields
- Emailing: developments@dha.gov.au
- Calling 1300 258 628.

We appreciate your patience and thank you for your support as we continue to improve the neighbourhood. For more information, visit akunavista.com.au or scan the QR code below.

Kind regards,

Defence Housing Australia (DHA)
